

# Worcester Regional and Greater Grafton MRC's

## Proudly Present: **RADIO COMMUNICATION**

THURSDAY APRIL 27 , 2023 6:00 PM

GRAFTON POLICE DEPARTMENT TRAINING ROOM, PROVIDENCE RD

This presentation is for anyone who feels overwhelmed or anxious about using handheld or base radios during their assignments. Attendees will become familiar with generic concepts of handheld radios, how to use them and what to expect when operating the equipment. No need to bring anything but yourself and an open mind.

**PROGRAM IS OPEN TO ALL MRC VOLUNTEERS- Pre-registration required:**

**[loisluniewicz@comcast.net](mailto:loisluniewicz@comcast.net) or [devriesm@grafton-ma.gov](mailto:devriesm@grafton-ma.gov) by 4/25/2023**

**Presenter:** Hisham Al-Beik, an MRC Volunteer comes to us with experience using radios as an Amateur Radio Operator (also known as a Ham). He is a licensed Amateur Radio Operator since 2003 and currently holds a General Level FCC License. He has participated as a communications officer in many marathons and community events, including the Boston Marathon. He also has been for a short period of time a dispatcher for WPI Campus Police and part of WPI's EMS team. He also currently sits on the Board of Directors for Worcester Emergency Communications Team (WECT).
